

# Preventative Maintenance

Don't wait for your filters and equipment to fail you and your customer. Our preventative maintenance technicians specialize in keeping your assets in peak shape and your customers happy.

## TIME IS MONEY

When your facility staff changes air filters at each of your sites, you are losing valuable time. Here is how much time a typical 100 site national chain customer would lose each year.

**30** Minutes Lost Per Filter

**200** Hours Lost Per Year

**25** Days Lost Per Year
